### Thanks so much for your interest in Three Twenty on Main!

All the details that went into the renovation of our circa 1913 building were designed with you and gracious entertaining in mind.

### What's Included in your rental?

The next page includes a quick summary of everything that's included with rental of the venue. If you're thinking of Three Twenty for a wedding, reception, engagement party, bridal shower or rehearsal dinner we've got just the right place for you to have a fun and memorable event.

We include a lot of great features in our base rental fee such as custom-built wooden farm tables plus chairs to seat up to 120 guests for dinner. Rental also includes use of the building including the sound system, wifi, specialty lighting options, and vintage furnishings. Included with full or partial-day wedding rentals is a 1-hour rehearsal time and use of the beautiful wedding loft – an awesome place to get ready! You can relax knowing your event can be just what you want and budget-friendly too!

### Each event is designed to *your* specifications

Want to add special custom silk florals, décor rental, decorating service? Check out our All-Inclusive Add-on which includes many options that add more features and value. Some clients include this option and others don't – it just depends on your event plan. Our **All -Inclusive Add-on** makes it so EASY to host that you'll feel like you're a guest at your own party!

### How much time do I need?

Most weddings are booked as a full-day rental which offers you 14 hours of access to the building. If you are planning a smaller wedding that requires less set-up and preparation time, we offer a half-day option (8 hours). Planning a very small wedding or elopement reception? We can offer a quarter-day rental (4 hours). You can even book the half or quarter-day option and add one or two hours to get *exactly* the number of hours to match your schedule.

### Where do I start?

Give Susan a call at 918-344-0791. Let's chat about details and make an appointment to tour the venue. We'll walk through all the options and even put a 2-week soft-hold on your date, while you complete your venue search. This means you have first option for that date – no strings attached. If someone else asks for the same date, we'll call you first. You'll then have 24 hours to lock or release the date.
